THIS SUMMER BECOMES NIGHTASTIC  
AT THE *DISNEYLAND*<sup>®</sup> RESORT

**ALSO INSIDE:** It's Time To Celebrate, Insider News, AP Shopping and More!

# Come See The **NIGHT** In A Whole New **LIGHT!**

The spectacular new summer night entertainment experience begins June 12.

Prepare to wear out your Annual Passport this summer as you follow the bright lights from *Disneyland*® Park to *Disney's California Adventure*® Park, and back again! Summers here have always been a magical time—especially when the sun goes down and the fun starts to rise—but you’ve never seen anything to match the “glow factor” that’ll be generated with the limited-time season we’re naming **Summer Nighttastic!** taking place nightly for 10 incredible weeks, from June 12 through August 23. So what is **Summer Nighttastic!**? Well, maybe this will shed some light on the subject...

**Fantasmic!** is bigger, brighter and more spectacular than ever before! The first thing you’ll notice is the show’s amazingly lifelike new creatures—after all, it’s hard not to notice a 40-foot tall dragon breathing fire in your

direction! Throw in a pair of gigantic electric eels and a colossal croc with an appetite as fierce as his attitude, and you’ve got quite a menagerie of villains. But equally as impressive are the high-definition digital projections. They practically pop off the gigantic mist screens!

**Disney’s Electrical Parade** is now more dazzling than ever—with a brand-new scene leading the way! Tinker Bell glides by in her “tinker-made” balloon, leaving a twinkling trail of pixie dust that gives the entire parade a magical new glow. Two original—and quite famous—scenes also return: the Seven Dwarfs’ Diamond Mine and the Fun House Face and Cigar Store, featuring Pinocchio and the Pleasure Island Boys. Plus, all the scenes have been enhanced with the very latest LED technology. Even the “Baroque Hoedown” theme sounds richer, thanks to a new recording.

**Magical** bursts across the night sky—this summer only—with a pyrotechnic celebration high above *Disneyland*® Park! The magic of childhood dreams and the joys of imagination are the inspiration for this all-new fireworks spectacular, featuring an unforgettable special appearance by a certain flying elephant!

There’s no doubt about it, this is going to be one “sizzling” summer at the *Disneyland*® Resort! So forget about that early bedtime, because you’re going to want to stay up late all summer long.

In fact, you may even want to think about upgrading to a Deluxe or Premium Passport if you don’t already have one, or maybe take advantage of specially priced **AP** Blockout Day Tickets. That way, you can soak up every shining moment of the summer fun. Visit [Disneyland.com/AP](http://Disneyland.com/AP) to learn more—and to get fired up for **Summer Nighttastic!**

## FUN FACTS

# Time To Celebrate!

Once you've decided what to celebrate in 2009, we've got the "how!"

Life is filled with special moments, the kind we hope will last forever—if only in our memories. Sometimes it's an occasion, like a birthday or anniversary, or something even more personal, like the celebration of a major achievement or overcoming a challenge. Or perhaps it's just the chance to spend time in the company of those we care about the most. Whatever the reason, it's moments like these that give life its richness. And that's why this year, the Disneyland® Resort wants to make your celebrations more magical than ever.

From Main Street, U.S.A. to Frontierland, you'll find new and exciting ways to wrap your special moments in pure Disney magic! Now showing, **Celebrate! A Street Party** rocks Disneyland® Park with some of the best party tunes of all time. And it's not just music that'll be in the air—streamers and confetti will rain down as crazy conga lines, swing dancers and even some favorite Disney Characters take to the street!

And if that's not

enough to get your groove on, then mosey on over to Frontierland for the **Celebration Roundup and Barbecue at Big Thunder Ranch**. This cowboy-style hoedown is more than a themed dining experience (although they do serve up some pretty tasty grub, including ribs, chicken, corn and all the fixings). It also serves up a rootin', tootin' good time courtesy of live entertainment, more Disney Characters and even a petting zoo filled with some of the cutest critters west of the Pecos.

Looking for a few more ways to make your special day even more magical? Well, you came to the right place! Birthday girls and boys of all ages should be sure to stop by City Hall in Disneyland® Park or the Guest Relations Lobby in Disney's California Adventure® Park to pick up a free birthday button so they can let everyone

know that this is their big day. You can even arrange a celebration at a Resort dining location by calling (714) 781-DINE.

Now if it's love that brings you here—to celebrate an anniversary, honeymoon or engagement—a romantic dinner or his-and-her mouse ears is the way to go. And catching a performance of *Disney's Aladdin—A Musical Spectacular*, with its classic love story, is an absolute must.

With all the fantastic photo opportunities around the Resort, you'll have no problem finding the perfect backdrop for that big family reunion photo. Or, celebrate that mountainous life challenge you just conquered with a symbolic shot of yourself posing in front of the Matterhorn.

Bringing along a friend or relative for a first visit? Take them behind the scenes with one of our fun and informative guided tours (remember, Deluxe and Premium Passholders enjoy a discount on select tours). Feel free to toss in a few trivia tidbits of your own as you go along!

As you can see, celebrations are rising to a whole new level this year at the Disneyland® Resort. And we've only scratched the surface when it comes to fun ways to celebrate your special occasions. For more ideas, check out the online planning tools at **Disneyland.com**. And while you're there, be sure to register and learn about the different birthday treats available to **APs** on their big day. Now, that's enough to put anyone in the mood to celebrate!

Entertainment may be seasonal and subject to change or cancellation without notice due to factors including, but not limited to, inclement weather.

What will you celebrate?

## Adventures In The Making!

**Exciting things are happening in Disney's California Adventure® Park!**

Let's face it, you don't have to be an **AP** to get excited about the changes underway in *Disney's California Adventure*® Park. But as an **AP**, you're going to have a front-row seat for the amazing transformation. So naturally, you should be among the first to hear about the Park's newest features.

First up are the re-themed Mickey's Fun Wheel and Games of the Boardwalk, both of which are now open.

Mickey's Fun Wheel features—you guessed it—an enormous Mickey Mouse face as its centerpiece. But it's not just any Mickey face, this is the "pie-eyed" version (so named because of the slice-of-pie-like white wedges in his black pupils) first made famous back in the late 1920s. Eight Mickey-themed gondolas remain horizontal as the wheel revolves, while 16 others, sporting the likenesses of either Minnie Mouse, Goofy, Pluto or Donald, slide in and out on interior rails, for a total of 24 gondolas.

Also getting a Disney Character "facelift" are the nearby Games of the Boardwalk. All four amusements will feature a fresh, new look that incorporates classic Disney and Disney•Pixar Characters—including Goofy, Dumbo, Casey at the Bat, and Woody and Bullseye from the Disney•Pixar *Toy Story* films.

Can't wait to find out what else is in store for *Disney's California Adventure*® Park in the months to come? Then be sure to drop by the Walt Disney Imagineering Blue Sky Cellar, located next to the Golden Vine Winery, for a glimpse into the future. The models and sketches on display there will be updated often, so make it a regular stop every time you visit the Park. And of course, look for more inside information and updates right here in the pages of *Backstage Pass*.

# A Year To Pay For Your Year Of Play!

**Monthly Payments let you spread out the cost of your Annual Passport**

One of the best things about an Annual Passport is the flexibility it provides. You can drop in for lunch, stop by after work, start your weekend with a muffin on Main Street, U.S.A., stay all day or just dash in for a quick ride on your favorite attraction. So it only makes sense that you should have flexibility in the way you pay for your year of magic—and thanks to our new

Monthly Payments option, you do! Now if you are a Southern California resident, when you renew your Annual Passport, you can choose to spread out the cost over an entire year—for as little as \$11.17 per month\*. Look for more details about this exciting new program in your next renewal packet, or at **Disneyland.com/AP**.

\*Monthly Payments option eligible to ZIP Code areas 90000-93599. "\$11.17 per month" price is based on the renewal cost of a Southern California Select Annual Passport. Passports subject to the Annual Passport terms and conditions, including Blockout Dates. Prices vary for other Passport types. All offers and prices are subject to restrictions and change without notice.

**Disney launches D23:  
The Official Community for Disney Fans**

In this year of "What will you celebrate?" Disney fans have a new reason to rejoice—the introduction of D23, the first official community created just for them. Chances are you may have already figured out what the somewhat cryptic name refers to. But in case you give up, 1923 was the year that Walt Disney founded the Disney Studios. D23 salutes that amazing legacy, one that continues to grow through the work of Disney storytellers, animators, filmmakers, Imagineers and Cast Members around the world.

Membership in D23 includes a special Charter Year gift from the new Walt Disney Archives Collection: a one-year subscription to *Disney twenty-three*, an exquisite, new quarterly publication brimming with photography, illustrations, an insider look at all things Disney and many other exclusive offerings.

You can find out more about membership in this exciting new club at **Disney.com/D23**. And be sure to check out the all-new D23 Expo—the largest, most impressive gathering ever of all things Disney—when it debuts September 10 through 13 in Anaheim.

## Featured Creatures

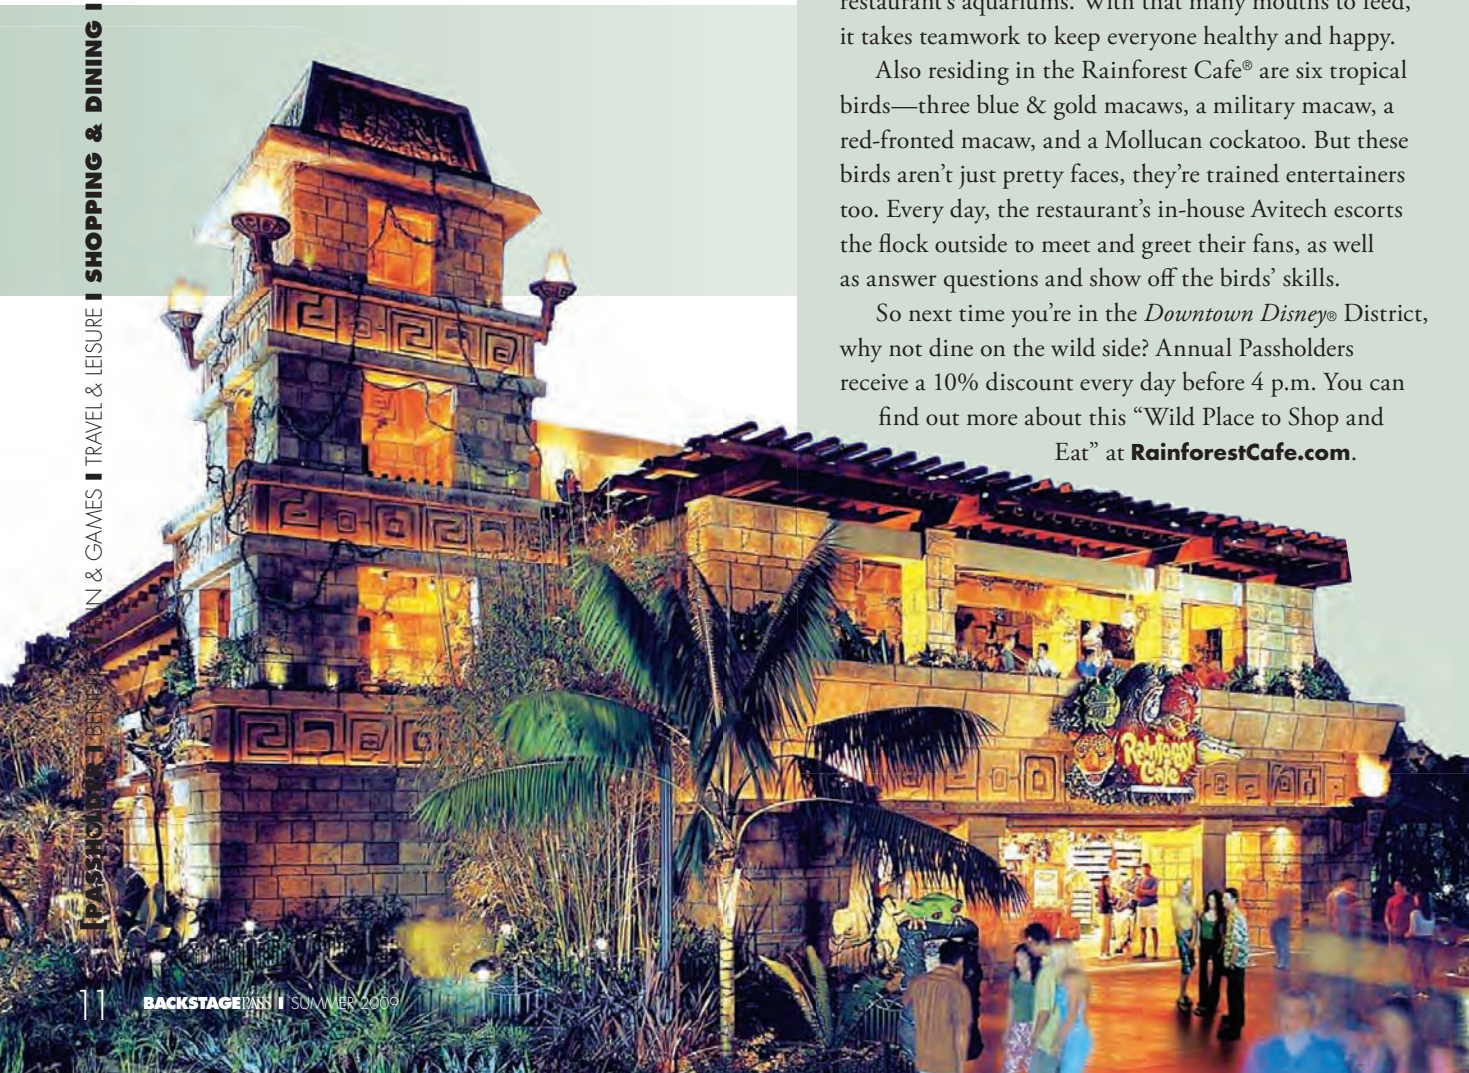

**Not all of the wildlife in Rainforest Cafe® runs on electricity.**

If some of those wild animals in Rainforest Cafe® look awfully real—it's because they are! Among the menagerie of lifelike *Audio-Animatronic®* creatures are some of the most beautiful birds and colorful fish you've ever seen.

In all, there are more than 500 tropical fish inhabiting the combined 15,000 gallons of saltwater in the restaurant's aquariums. With that many mouths to feed, it takes teamwork to keep everyone healthy and happy.

Also residing in the Rainforest Cafe® are six tropical birds—three blue & gold macaws, a military macaw, a red-fronted macaw, and a Moluccan cockatoo. But these birds aren't just pretty faces, they're trained entertainers too. Every day, the restaurant's in-house Avitech escorts the flock outside to meet and greet their fans, as well as answer questions and show off the birds' skills.

So next time you're in the *Downtown Disney®* District, why not dine on the wild side? Annual Passholders receive a 10% discount every day before 4 p.m. You can find out more about this "Wild Place to Shop and Eat" at [RainforestCafe.com](http://RainforestCafe.com).

## New Views.....

**Disney Vacation Club adds three new properties at Disney Parks in California and Florida.**

Disney lovers on both coasts will be excited about what's happening at the *Disneyland®* Resort and *Walt Disney World®* Resort in 2009. In Anaheim, *Disney's Grand Californian Hotel®* & Spa is being expanded to include 203 traditional hotel rooms, as well as 50 Disney Vacation Club villas. While in Florida, two spectacular new properties are slated to make their debut—*Treehouse Villas at Disney's Saratoga Springs Resort* & Spa, and *Bay Lake Tower at Disney's Contemporary Resort*.

At *The Villas at Disney's Grand Californian Hotel®* & Spa, each of the new villa units is decorated in the true Arts & Crafts style with rich dark-stained oak furniture and moldings, Tiffany-style lamps and soft floral-patterned beds. The floor plan in one-bedroom villas and larger includes a living area, a kitchen equipped with energy-efficient stainless steel appliances and solid-wood stained oak cabinetry, a guest bathroom with a shower, and well-appointed master bedrooms.

Outside, a fully enclosed, multi-level "connection bridge" links each floor of the new wing to the existing Hotel, providing easy access to the Hotel's acclaimed amenities—including the award-winning Napa Rose Restaurant and Mandara Spa®. Other elements of the project include a new swimming pool and about 300 underground valet parking spaces.

On the East Coast in Florida, the new curvilinear, 15-story *Bay Lake Tower at Disney's Contemporary Resort* is also slated to open in late summer. The Tower's

crescent shape promises to deliver some of the most dramatic views available anywhere at the *Walt Disney World Resort*. The *Treehouse Villas at Disney's Saratoga Springs Resort* & Spa, opening this summer as phase four of the Resort, will offer 60 three-bedroom villas. Each unit is elevated 10 feet off the ground on pedestals and beams so as to blend into the forest environment.

Disney Vacation Club is owned by Disney Vacation Development Inc., part of the magic of The Walt Disney Company.

## Eat Heart Smart

An apple a day? That's good medicine, says St. Joseph Hospital.

Turns out Mom was right all along. Eating your fruits and veggies—along with healthy amounts of whole grains—is one great way to keep your heart in good shape. Studies indicate that these fiber-rich foods actually reduce your risk of chronic diseases (like stroke and other cardiovascular disease), Type 2 diabetes and certain cancers. So next time you need to refuel, reach for the whole wheat toast rather than white, peanuts instead of potato chips, or a piece of fruit in place of that candy bar. And remember, when you visit the Parks, you'll find carts fully stocked with fruit, veggies and other smart snacks on Main Street, U.S.A., Critter Country, Adventureland, Fantasyland, “a bugs land” and Hollywood Pictures Backlot. For more healthy tips, visit the website of St. Joseph Hospital in Orange at [sjo.org/DisneylandAP](http://sjo.org/DisneylandAP).

## Q & AP Session

But what other occasions are **APs** celebrating with us? Let’s take a look...

Anniversary.....	10%
Reunion.....	1%
Graduation.....	1%
