

# Indiana Jones Adventure™ Attraction Queue

Casual eyes might miss these items, which await you  
in the Temple of the Forbidden Eye!

## Obelisk of Doom Chamber

The ancient obelisk warns of four dangers  
that await you during your journey.  
Two of them are snakes and spears.  
What are the other two?

## Hall of spikes

Previous visitors have been caught by surprise  
in this hideous hallway. See if you can deduce  
how many victims have met their fate before you.

## Indy's Office

Just past the projection room, you can  
peer into Indiana Jones' makeshift office.  
Can you find Indy's hat, his whip, Sallah's fez,  
Mickey Mouse and a crated artifact bound  
for Club Obi Wan?

## Exit Path

As you exit the Temple after your adventure,  
keep an eye out for an excavation mine car  
from "Indiana Jones and the Temple of Doom™"  
and a military truck from  
"Raiders of the Lost Ark™."

## Jungle Cruise

Indiana Jones has made his way through the jungle before you! As you cast off, keep  
your eyes peeled for signs of his presence! Like any good archaeologist,  
see if you can spot which "relics" have been left behind!  
Hint: there are four, from the list below.

Lao Che's Diamond

Crate w/ Ark of the Covenant

Cross of Coronado

Crystal skull

Dr. Henry Jones Sr.'s Umbrella

Golden Idol of Fertility

Henry Sr.'s Grail Diary

Indy's Eagle Scout hat

Mola Ram Ceremonial Headdress

Nurhache's Urn

Sankara Stones

Staff of Ra

Disneyland  
RESORT

# INDIANA JONES™

SUMMER OF  
HIDDEN MYSTERIES

ARE YOU BRAVE ENOUGH TO  
FOLLOW IN THE FOOTSTEPS OF  
PROFESSOR HENRY JONES JR.?

# Adventureland

As you explore the land, seek out clues that will uncover an ancient message!

- A** Indiana Jones has left your first clue on a balcony across from the biggest "birdhouse" in the land!
- B** Dr. Jones has left your next clue where tropical treasures are imported from the jungle.
- C** A point of the compass and a body of water are found in this traders' sign; Indy has left another clue nearby.
- D** You'll find your next clue at the only place where humans and tigers dine together.
- E** Look for a clue before you board the oldest voyage in the land.
- F** Jones made sure that tourists seeking fast-paced adventure have to pass beneath this final clue.

Write Your Answers Here!

**A**      **B**      **C**      **D**      **E**      **F** **NOW!**
